

THE BEAVERBROOKS BIKE RIDE

Beaverbrooks Bike Ride – Postponement Statement

It is with huge disappointment that we confirm the 2021 Beaverbrooks Bike Ride will be **postponed until Sunday 12th June 2022**.

We have reviewed the Government's roadmap out of lockdown and what that means for large events like ours, and we have sadly come to the conclusion that our original date of Sunday 13th June is too close to the earliest possible resumption of large scale events.

Because of the difficulties presented over the last year, it has been impossible to predict when we may be able to safely resume our exciting events programme. We are still confident that 2021 will deliver the positivity it promised, but we may have to wait a little longer than we had first hoped.

As the earliest possible date for events like ours to return is 17 May, we are uncomfortable pressing ahead with our plans to hold a full-scale mass-participation event in early June. Therefore, with the support of our incredible sponsors, Beaverbrooks the Jewellers, and other stakeholders involved in this popular event, we have made the difficult decision to postpone the 'live' event until Sunday 12th June 2022.

We would like to say how sorry we are for any inconvenience this may cause, and wish to take this opportunity to thank our amazing community for its continued support.

We understand this may be disappointing news to those who have signed up to take part in this year's event, but hope they may understand the difficult decision we have had to make.

We would like to encourage every participant with a place in the 2021 Beaverbrooks Bike Ride to take part in our **Virtual Beaverbrooks Bike Ride**, which is taking place throughout June instead.

What do you need to do next?

All participants will be sent an email with details and a link to update their event booking.
