

# Sending in today's donations

Thank you for holding a Trinity Get Together.

## JustGiving™

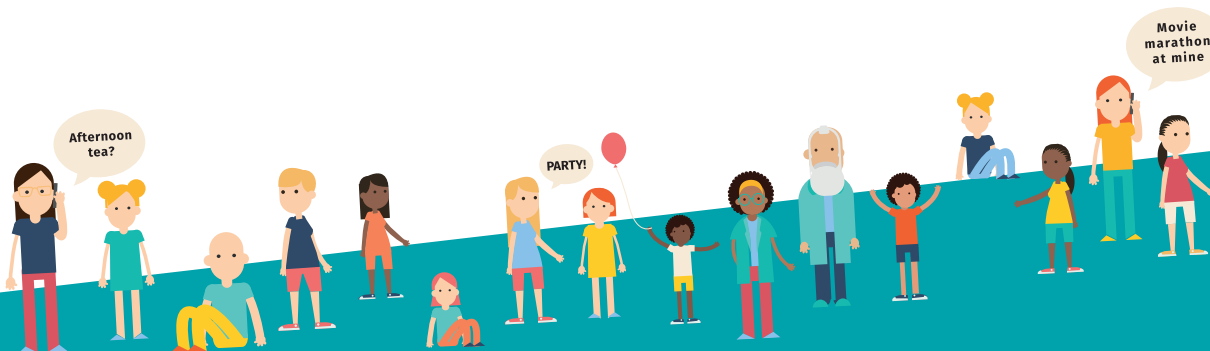

If you have set up a JustGiving page and people have donated online you don't have to do anything else.

We will receive those funds automatically, directly from JustGiving.

**We don't have a preference for how you send your donations in. Whatever works for you.**

However, we would be grateful if you fill in this donation form, which allow us to claim Gift Aid on all of your Get Together guests' donations. Please send in all money you have raised by the end of the month that follows the date of your event. Please also remember to fill in and send us your paying in form.
