**Trinity Hospice does not accept any liability or responsibility for:**

The accuracy of the information received from providers and services

The suitability of services for a particular purpose

The quality of the services included

**Please note:**

We do not promote or endorse any of the services listed in any way.

We recognise that we are unable to provide a complete list of services and that others may be available.

Anyone seeking to use or access these services does so at their own risk and should make all appropriate enquiries about fitness for purpose and suitability to meet their needs.

Checks should be carried out by anyone using these services to make sure that the service has adequate policies and procedures in place.

Services have a responsibility to be open and welcoming and to share information about themselves and their activities.

Trinity Hospice will not be held responsible for any loss, damage or inconvenience caused as a result of any inaccuracy or error within the information held within this list.

Anyone working with children, young people or vulnerable adults will be required to have an appropriate Disclosure and Barring Service Check (the replacement for the Criminal Record Check), safeguarding policies and insurance in place, which they should make available to you on request.
