To whom it may concern.

This person is a member of staff at Trinity Hospice and Brian House Blackpool. They are attending your premises for a Flu jab.

Under government guidance (scan the QR code for up to date guidance), hospice staff are entitled to a free flu vaccinations. Staff can access the NHS complementary scheme by presenting at their community pharmacy and self-identifying as a health and social care worker. Health & Social care workers may need to present ID at pharmacies when they arrive for their vaccination. If asked to provide proof, some of the things they could use are:

- a letter from your employer
- an ID badge
- a payslip

Thank you for your help and support in this matter.
